

## **WREB Co-op Limited**

# **Sponsorship Policy**

### **Background**

Under the Broadcasting Services Act 1992 (BSA) community broadcasters are not permitted to broadcast 'advertising'.

However, sponsorship – a form of limited advertising - is permitted.

The BSA outlines two key requirements of a sponsorship announcement:

1. Sponsorship content will be limited to five minutes in any hour (BSA Sch 2, Part 5 clause 9 (3)), and
2. Every sponsorship announcement will be clearly "tagged" (BSA Sch 2, Part 1, clause 2 (2)(b)).

In line with code 6 of the Community Radio Broadcasting Codes of Practice 2WEB will ensure that:

- Sponsorship will not be a factor in determining access to broadcasting time,
- Editorial decisions affecting the content and style of individual programs are not influenced by program or station sponsors, and
- Editorial decisions affecting the content and style of overall station programming are not influenced by program or station sponsors.

Further information on sponsorship requirements is available ACMA's Community Broadcasting Sponsorship Guidelines 2008 – available at 2WEB.

### **Purpose**

The purpose of this policy is to ensure compliance with the BSA and the codes of practice, and to give clear direction on 2WEB attitude toward sponsorship.

### **Policy**

2. All sponsorship arrangements shall be recorded on a standard form and approved by the station manager or person responsible.
